

PTA MEMBERSHIP & REED DIRECTORY

We invite you to join the Reed Intermediate School Parents & Teachers Association (PTA). The PTA is the largest non-profit child advocacy organization in the country.

Your PTA Membership gives you voting rights on PTA issues, a unified voice in the school, and the district and the opportunity to be an active member of the school community. While membership does not obligate you to volunteer, we welcome your involvement in any of our programs and committees. ***The Reed Directory is included with your membership (one per family) and cannot be purchased separately.***

The information you provide the school on the PowerSchool Demographics page will be used to compile the directory. All families will be listed in the directory unless they "opt out" in PowerSchool.
